- A. If the **Insured** incurs loss that is only partially covered by this Policy because a **Claim** includes both covered and uncovered matters or is made against both covered and uncovered parties, such loss shall be allocated between covered **Loss** and non-covered loss based upon: (i) the relative legal and financial exposures of the parties to such covered and uncovered matters;

1. Non-payment of any premium when due, by providing to the **Sponsoring Organization** written notice stating when, not less than thirty (30) days thereafter, such cancellation shall be effective.  2. Any other reason, by providing to the **Sponsoring Organization** written notice stating when, not less than sixty (60) days thereafter, such cancellation shall be effective.
- B. The **Insureds** grant the exclusive authority to cancel this Policy to the **Sponsoring Organization**. - F. If applicable state law permits, the premium for this Policy and any **Certificate of Insurance** shall be deemed fully earned upon payment of the premium. If and to the extent applicable state law does not permit fully earned premiums, then in the event of cancellation by the Insurer or the **Insureds** of this Policy or a **Certificate of Insurance** pursuant to this Section **XV.**, the Insurer shall refund the unearned premium computed pro rata. Payment or tender of any unearned premium by the Insurer shall not be a condition precedent to the effectiveness of such cancellation, but such payment shall be made as soon as practicable.

XVI. SOLE AGENT

The **Sponsoring Organization** shall be the sole agent of all **Insureds** hereunder for the purpose of: (i) effecting or accepting any amendments to or cancellation of this Policy; and (ii) receiving such notices as may be required by law or any provision(s) of this Policy.

The parties shall share costs, but pay for their own legal fees and expenses, in such mediation.

In the event that both the Insurer and the **Insured** commence either a judicial proceeding or binding arbitration within 120 days after termination of the mediation, the **Insured's** proceeding shall take precedence over the Insurer's proceeding, and the Insurer shall withdraw and dismiss its judicial or binding arbitration proceeding. In the event that both the Insurer and the **Insured** commence either a judicial proceeding or binding arbitration more than 120 days after termination of the mediation, the first such proceeding or arbitration shall take precedence over the subsequent proceeding or arbitration, which shall be withdrawn and dismissed.
